~~~~~

Christkindl Markt is a fundraiser for the Canton Museum of Art. It is presented by **Canton Fine Arts Associates, Inc.**, an all-volunteer affiliate organization of the Museum. The show takes an entire year of planning and work, using approximately 5200 volunteer hours. Since its inception in 1952, Canton Fine Arts has raised \$1.5 million for the Museum.

The **Canton Museum of Art** is Stark County's home for fine art and is accredited by the American Association of Museums. CMA's nationally recognized Permanent Collection contains over 1,200 pieces focusing on 19<sup>th</sup> and 20<sup>th</sup> Century American watercolors and works on paper, as well as an outstanding collection of contemporary ceramics. In its nearly 75 years of existence it has featured numerous noteworthy exhibits, and in 2009 was one of only two museums in the United States to host "Kimono as Art: The Landscapes of Itchiku Kubota".
